OUR EMPLOYER-EMPLOYEE RELATIONSHIP

WVSG ET. AL. is your employer, and as such, your official employer of record. While you may be assigned to one or more of our client companies, WVSG will continue to be your employer throughout your temporary assignments. WVSG will provide your job descriptions as represented by our client companies, will describe your job duties, and will negotiate all pay rates for your temporary assignments. Even though you will be assigned to work on the premises of a WVSG client, WVSG makes all decisions relating to how much you will be paid while on assignment. The WVSG client to whom you are assigned does not have any authority to determine your pay, so any questions you have about your compensation must be directed to your WVSG recruiter or on-site coordinator. WVSG will inform you when your assignments are beginning and ending, accordingly *if you become aware of a change in your assignment status, start or end dates, job duties, etc., please notify your*

recruiter or onsite representative immediately. We issue your pay and are responsible for mailing your W-2 by the end of January if you worked for us in the previous tax year. Your W-2 will show all your earnings and the tax withholdings that we reported to the government as required by law.

You are responsible for keeping your WVSG contact informed of your employment status. Contact your WVSG recruiter when you are sick or need personal time off, if you are running late, if you are having challenges with your assignment, or if you are approached about direct, full-time employment, or switching staffing agencies. Also let us know if you have moved or if any of your personal information has changed so that we can keep our records updated. Remember that WVSG is your employer. Following these basic guidelines will help create a pleasant employment experience.

SAFETY PROGRAM FOR OUR ASSOCIATE EMPLOYEES

It is the policy of WVSG to provide our employees with a safe work environment. Additionally, WVSG partners with our clients to make every effort to provide a safe place to work. Therefore, as you report to your assignment at the client site, ask your supervisor to make you aware of their safety and health program and job specific training. Take note of safe work practices, evacuation procedures, and any potential hazards unique to your job assignment. **Adhere to all safety rules and regulations and wear all required personal safety protective equipment.**

At the direction of the President of WVSG, no employee is permitted to perform any work for which they have not been properly trained or equipped or which they feel is unsafe.

Inspect your work area daily and promptly report any safety concerns or unhealthy conditions to your supervisor, WVSG recruiter and/or onsite representative. *Immediately report all work-related injuries to your supervisor and WVSG recruiter and/or onsite representative.*

West Valley Staffing Group (WVSG) has zero tolerance for workers' compensation fraud and will actively pursue and convict offenders. Making a false or fraudulent workers' compensation claim is a felony subject to up to 5 years in prison or a fine of up to \$150,000 or double the value of the fraud, whichever is greater, or by both imprisonment and fine. L.C. § 5432(a).

TRAVEL/DRIVING POLICY

If you are asked/required to travel or drive while on assignment, prior to engaging, please immediately notify your WVSG representative for approvals/documentation, and travel insurance information.

OPEN DOOR COMMUNICATION POLICY

At WVSG, you have our full support and are welcome to call us any time; we are here to help you! If you have questions, concerns, or find yourself in an uncomfortable situation on your assignment, call us immediately! Remember that we are here to serve you and want you to be satisfied with your work assignment.

TIMECARD PROCESS

Time worked is due every Sunday by Midnight to our Sunnyvale Corporate Office.

Time worked must be submitted and approved by your supervisor at the end of each work week. WVSG recommends the use of our online electronic timecard system, TALX, for the most expedient method of processing (ask your recruiter for detailed instructions). If you are using our WVSG timecard template, you can email to wvsgtimecards@westvalley.com or you can fax your timecard directly to payroll at (408) 735-1070. Please assure that your time sheet has been approved by your supervisor or manager. Note: Your assignment may be at one of our client sites that has on-site WVSG representation. You will be informed of the timecard process if it differs from the policy stated above.

OVERTIME

Overtime and double time will be paid according to applicable state law. These hours must be approved in advance by your supervisor. An exception to the applicable state laws would be a WVSG and client approved alternative work week, which you would be notified of prior to starting your assignment.

PAYROLL PROCESS

Accurate and timely payrolls are dependent upon you following our procedures carefully, thoroughly, and completely. Paydays are on Fridays* following the week you worked. West Valley Staffing Group offers two methods of compensation: - Direct Deposit and - Pay card via our Global Cash Card/MasterCard partner. If you did not sign up for Direct Deposit during the application process, you will automatically receive a Global Cash Card/MasterCard Pay card. You may transition to direct deposit by completing /submitting a direct deposit authorization form. Pay cards and direct deposits are deposited directly onto your pay card or into your bank/credit union account. Pay cards are funded for payment every Friday; Direct Deposits are funded for payment every Friday. Pay cards and Direct Deposits are set up for fund availability on your first pay date. With both the pay card and direct deposit, we mail a non-negotiable voucher so that you can track withholdings, hours paid, and rate of pay. Note, certain holidays will cause paydays to shift to another day.

** Please note that while payroll is typically prepared and ready as outlined above, occasional complications necessitate a later payroll run, which could delay payroll as late as midnight. This is **extremely rare**; however, we will make every effort to communicate every possibility to you.*

Effective August 23, 2019, WVSG will email a password protected PDF Pay Advice to all employees every pay period. Depending on circumstances, excessive tardiness or sick time may be grounds for disciplinary action or termination. If, for some reason you cannot agree with the above, please notify us well in advance so that we can make other arrangements.

PROFESSIONAL ATTITUDE AND APPEARANCE

Professionalism in the workplace is the best way to optimize your work experience. Demonstrate a positive attitude, be punctual, dress appropriately, maintain good attendance, and leave any personal issues at home. Each time you are on assignment, you represent not only yourself, but WVSG.

CALLING/ EMAILING IN AVAILABLE - ALWAYS NOTIFY US IMMEDIATELY WHEN YOU ARE AVAILABLE FOR WORK OR RE-ASSIGNMENT

Always notify us immediately when you are available for work. When you call/email in available for work, you are letting your recruiter know you are actively looking for work beginning on a specific date (i.e., "I will be available for six months starting next Wednesday.").

We recommend calling in or emailing your availability approximately *once a week* unless your recruiter instructs you otherwise. You can email us at resumes@westvalley.com to remind us of your availability if you prefer. If you choose to call in, let the receptionist know you are calling in available for work and give them your recruiter's name. If you know your recruiter's extension, you may bypass the operator and dial directly to your recruiter's desk. If your recruiter is not available, leave a voicemail with your current contact information (including an email address) so they can start working on an exciting new assignment for you. Remember that WVSG wants to provide you with the best employment support possible

JURY DUTY OR WITNESS LEAVE

WVSG encourages all employees to serve on jury selection or jury duty when called. When summoned, you should immediately notify your WVSG representative and provide proof of service. Non-exempt employees will not be paid for leave taken under this policy. Exempt employees will be paid their full weekly salary unless they are on leave for an entire workweek during which no work is performed.

TIME OFF FOR VOTING

If an employee does not have sufficient time outside of working hours to vote in a statewide election, the employee may take off enough working time to enable him or her to vote. Such time off shall be taken at the beginning or the end of the regular working shift, whichever

allows for more free time, and the time taken off shall be combined with the voting time available outside of working hours. Under these circumstances an employee will be allowed a maximum of two hours on the Election Day without loss of pay. Where possible, the employee shall give his or her supervisor at least two days' notice that time off to vote is needed.
